

The background of the advertisement features a dark, abstract surface with dramatic lighting. A bright, horizontal beam of light from the top left creates a sharp, white glow against the dark background. This light beam is partially obscured by a large, semi-transparent circular shape that has a warm, golden-yellow hue on its right side and a darker, reddish-brown hue on its left side, suggesting a sunset or sunrise effect.

BLADE INSPIRATIONS

The “Blade Collection”, is the pure translation of the metallic alloy from the sword blades that date back from the “Period of Spring and Autumn” (771 to 403 B.C.) that marked an era in the history of China.

This alloy is a mixture of tin with copper and resisted through time until it was discovered in 1965 in the form of the “Sword of Goujian”, strangely, it still remains sharp.

The Blade collection is presented in “Tin” and “Copper” colors, a fair tribute to the artisans of yore.

A coleção Blade, é a tradução pura da liga metálica constituínte das lâminas das espadas do “Período das Primaveras e Outonos” (771 a 403 A.D.) uma era que marcou história da China antiga.

Esta liga, uma mistura de estanho com cobre, resistiu ao tempo até ser descoberta em 1965 na forma de “Espada de Goujian” estranhamente, ainda se mantinha afiada.

A coleção Blade é apresentada nas cores Tin e Copper, uma justa homenagem aos artesãos de outrora.
